Dear Football Player,

It is with great honor to welcome All-Pro Safety Ed Reed back home for the Ed Reed Destrehan Football Camp. Ed played high school football here at Destrehan and received a scholarship to the University of Miami. He was an all-American at Miami and was drafted in the first round by the Baltimore Ravens.

Although this camp has been successful in the past, Ed has made a commitment to make it even better. Ed will bring NFL players on Thursday and Friday to work with you. They will also be available for autographs and pictures.

Our staff is committed to teach your child the fundamentals and techniques for each individual position using the same methods of instruction we use with our players everyday.

While the camp is designed to keep you busy learning the game, we have also set aside some time for special activities that I think you will find enjoyable. We are excited about having you spend time with us this summer.

Sincerely,
Stephen Robicheaux
Head Football Coach
